

Degree Pathway

A.A. in Liberal Arts and Sciences – Education Concentration – Catalog Year 2023-24

The number of credits you take each year will determine when you graduate. To graduate on time, you are strongly encouraged to enroll in at least 30 credits toward your degree during the calendar year, including fall and spring semesters and winter and summer sessions. This Degree Pathway is designed for students who place into **developmental English and math**. An additional pathway is available for students who place into ENGL-101 and MA-119 or MA-336. Please see the degree website or your advisor for more information.

Students planning to transfer to Queens College to pursue childhood education after completing their Associates Degree should consider the Dual/Joint A.A. to B.A. Childhood Education degree program. [Please see the website](#) or your advisor for more information.
