

Degree Pathway

The number of credits you take each year will determine when you graduate. To graduate on time, you are strongly encouraged to enroll in at least 30 credits toward your degree during the calendar year, including fall and spring semesters and winter and summer sessions. This Degree Pathway is designed for students who place into **ENGL-101 and MA-119 or MA-336**. An additional pathway is available for students who must complete developmental math or English. Please see the degree website or your advisor for more information.
