

Degree Pathway

A.S. in Business Administration - Catalog Year 2023-24

The number of credits you take each year will determine when you graduate. To graduate on time, you are strongly encouraged to enroll in at least 30 credits toward your degree during the calendar year, including fall and spring semesters and winter and summer sessions. This Degree Pathway is designed for students who place into **developmental English and math**. Additional Degree Pathways are available for students who start at other levels. Please see the degree website or your advisor for more information.

Courses in **Bold Text** are prerequisites for later courses and should be taken where indicated in the sequence.

Notes:

1. Prerequisites for a course must be passed before taking the course. Corequisites must be passed before taking the course or taken in the same term as the course.
2. Students must complete one course from each of the Flexible Core categories (2A, 2B, 2C, 2D, and 2E) and one additional course from any one of the categories.
3. This course is not required for students who take a 4-credit STEM variant course in Required Core 1C.
4. **Students planning to transfer to Baruch College are strongly recommended to take SP-217 and both ECON-101 and ECON-102.**
5. Sections of this course designated “WI” in the course schedule may be taken as one of the two writing intensive courses required for graduation.

All students must complete two (2) WI designated classes to fulfill degree requirements.
