LOGGING IN TO DIGICATION

1. To begin, open a web browser (Firefox is recommended) and go to the Digication Login page: http://qcc-cuny.digication.com

2. You will be prompted to enter your username and password. Your username is your CUNY first username. CUNY first usernames have the following format: “First Name. Last Name + last 2 digits of your CUNY first ID”

Your initial password is “qcc + month and year of birth”. For instance if you were born on 3/21/1972, your password will be qcc31972

Note: We strongly recommend that you change your initial password the first time you login.

3. If you’re new to Digication you will need to accept the terms and condition during your first login. After reading the Term and Conditions, check the box titled “I accept Digication Terms and Conditions” and then click “I Agree”.

4. Your Homepage will display the following modules: My e-portfolios, My Courses, and My Communities.
