5. The new course proposal for HI-190 (Genocide in the Twentieth Century) was not voted upon due to questions that arose regarding the following issues, The department chair has been notified of these issues, specifically:

   - course number ‘190’ has been used before, and we have suggested using HI-191
   - transferability of the course
   - existence of any TIPPS equivalents
   - Would it be preferable to have an HI prerequisite, such as HI-112, for this multi-faceted course? Do similar courses have any prerequisites?
   - Sample syllabus needs an ADA statement.

6. The meeting adjourned at 3:00 pm.

Respectfully submitted,
Marjorie Deutsch
