1. The meeting was called at 2 pm in H-345.
2. The minutes of the meeting of October 2, 2012 were approved as revised.
3. In the Chairperson’s report, Dr. Pecorino reported that he had communicated to the Chairs of the English and Foreign Language Departments what the President had stated during the October 2 meeting regarding recitation hours. He also informed the Committee that he had spoken with the Chairperson of Speech Communications and Theatre and the documents for SP 211 had been submitted for approval.
4. It was noted that MA 321, not submitted as a 3credit/3 hr class, was approved by the CUNY CCCRC but then somehow unexplained not approved.
5. The Committee discussed how to proceed if the resolutions being put forward by the Academic Senate Steering Committee are passed at the October 9th Senate meeting.
6. The Committee decided to postpone approval of PSYC 215 (SS 515).
7. The Committee unanimously approved the changes in the QCC-Hunter Dual Joint Program in Nursing.
8. The Committee voted unanimously to approve the changes proposed for the Gallery and Museum Studies Program.
9. Math 119 was unanimously approved as a STEM variant in support of the Math Departments request.
10. Professor Mcgill, Chair of the Department of Speech and Theater, will be invited to the Committee to discuss the changes for SP 211.
11. The Chairperson requested that the Committee review the Library Department’s proposed course, INTE 212, for further discussion.

The meeting was adjourned at 3:03 p.m.

Respectfully submitted,
Devin McKay
