Minutes of the Meeting held on October 28th, 2014

Present: T. Bayer, A. Borrachero (Chair), J. Carroll, D. Klarberg, A. Kolios, L. Zinger

Absent: B. Bonous-Smit, M. Chauhan (Secretary), P. Marchese (Vice-President, ex-officio, President’s Designee), R. Yuster, E. Tai (Senate Steering Committee Designee), Student Representatives

The meeting was called to order at 2 pm in H-345.

1) Department of Biological Sciences and Geology. The committee members approved the Environmental Health Program revisions. The members had already voted and approved these revisions at an earlier meeting, but they had to vote again due to a technical error (a series of electives had been omitted from the first revision document).

2) Department of Engineering Technology. The committee members approved the Internet Technology Program revisions.

Respectfully submitted,

Aránzazu Borrachero
