The meeting was called to order at 2:10 pm in H-233.

1) The minutes of the February 21, 2017 meeting were approved by the committee.

2) The committee discussed form revisions and online availability of the forms.

3) Dr. Belle Birchfield, Deputy Chairperson, of the Department of Engineering Technology discussed proposed course and program revisions with the committee.

4) The committee considered the proposed course revisions:
   ET-110 Electric Circuit Analysis
   ET-210 Electronics I
   ET-230 Telecommunications I
   ET-232 Wireless Mobile Communications
   ET-320 Electrical Control Systems
   ET-410 Electronic Projects Laboratory
   ET-502 Introduction to Computer Programming
   ET-509 Programming for Embedded Systems
   ET-542 Computer and Electrical Device Applications
   ET-580 Object Oriented Programming

   After discussing the proposals, the committee voted and the proposals, with minor revisions, were approved unanimously by those present.

5) The committee considered the proposed program revisions:
   CT Program Revision
   ET Program Revision
   TC Program Revision

   After discussing the proposals, the committee voted and the proposals were approved unanimously by those present.

6) The committee considered the proposals from the Department of Health, Physical Education and Dance to eliminate the Health and Behavior Concentration and the Health Promotion and Disease Prevention Concentration. After discussing the proposals, the committee voted and the proposals were approved unanimously by those present.

7) The committee considered the proposed Revision in the State application for creating a dual-degree program from existing registered program – QCC/York A.S./B.S. Public Health and the Program Proposal Revision in current A.S. Public Health Program. After discussing the proposals, the committee voted and the proposals were approved unanimously by those present.

The meeting was adjourned at 4:00 PM.
Respectfully submitted,

Patrick Wallach
