A Standing Committee of the Academic Senate**

**Date:** February 1, 2017

**Room:** Library 224

**Committee Members in Attendance:**

**Review/Approval of Minutes:**

Minutes from November 30, 2016 - approved

I. ACA Bathroom update – no progress to report.

2. Prof. Tuszynska cleared up a misunderstanding from the previous meeting in regard to the eLearning Committee's relaxation exercise videos. The exercise links were organized by a previous committee, and Prof. Geismar, eLearning, downsized the original list. The exercises were not meant to be performed at home. Some problems arose with the videos as they are subject to copyright laws, and we would need permission in order to utilize on campus.

3. The Committee finalized the survey questions for the "Fitness while Studying" initiative. An introduction paragraph will be developed by Lisa. The survey will be distributed via email to the student body, faculty will not be included. The survey will run from February 14<sup>th</sup> through March 8<sup>th</sup>, with a reminder email sent on February 21, 2017.

4. Prof. Tuszynska reached out to Prof. Geismar, Health and Physical Fitness, to discuss the possibility of a Service Learning or Learning Community project. The project would entail the production of an exercise video for college use. At this time, a project is not possible to coordinate, and will be discussed at a later time.

Meeting adjourned.

Respectfully submitted by  
Lisa Scandaliato, Art Gallery.
