**Report to the Academic Senate**

April 28<sup>th</sup>, 2017

From: Prof. Christine Mooney, Chairperson of the Committee on Committees

To: Dr. Joel Kuszai, Secretary of the Academic Senate Steering Committee

**Monthly Report of the Committee on Committees for April 2017**

**I. Academic Senate Roster**

The newly elected members of the Academic Senate were elected and reported on in the March 2017 report. These senators will assume their new role at the May 2017 meeting of the Academic Senate. All senators elected during the Spring 2017 were notified of their election to the Senate.

**Standing Committees of the Academic Senate**

**A. Rosters**

There were no changes to the membership of the Standing Committees in April 2017.

**B. Elections (2017-2020 term)**

Article VII, section 4a of the Bylaws of the Academic Senate states:

*Nomination to all standing committees except the Committee on Committees shall be made by the Committee on Committees and shall be circulated to the members of the instructional staff at least two weeks prior to the election. Additional nominations may be made by a petition to be signed by seven (7) members of the instructional staff, and submitted to the Chairperson of the Committee on Committees at least one week prior to the election.*

In accordance with the Bylaws, the ballots prepared by the CoC were distributed via email on March 21<sup>st</sup> to CLTs, faculty, and HEOs. A self-nomination form with detailed instructions was prepared and included in this mailing. There were no self-nominations. At the April 4, 2017, Academic Senate meeting, paper copies of the ballots were distributed to all voting members of the Senate. The members of the Standing Committees for 2017-2020 were unanimously elected as a single slate. A list of those candidates who were not elected will be maintained by the CoC. This list will be consulted to fill vacancies as they arise during the year. The CoC will also make suggestions to the Steering Committee regarding suitable Steering Committee Designees. The rosters for the Standing Committees follow. The corresponding committee webpages will be updated at the end of the spring semester.
