

WID/WAC COMMITTEE MEETING

October 16, 2007
3pm, Room LB 26

Agenda

1. Consideration of the Resolution of the Academic Senate on the WI Degree Requirement

Major points

- Students are not being offered an adequate number of WI courses hindering their ability to meet graduation requirements.
- To help students fulfill the WI requirement, all History courses would be designated as WI.
- Class size in History courses would be increased from 25 to 30 to accommodate scheduling demands.
- The Department of History will provide its own WI training.
- Teaching load for faculty in the Department of History would be reduced from 27 to 24 hours.

2. Reduction in class size for selected WI courses in the Art and Photography Department

- Beginning Spring-2008:
Digital Art classes will have their course size set to 20 while the course size for all other WI courses in the Department will remain at 25.

3. Appeals
