

## Honors Program Course Offerings - SPRING 2009

The Honors Program at Queensborough is an academic program that provides an enriched classroom and overall intellectual experience to students who have demonstrated high academic achievement. Students are eligible to take a course in the Honors Program if they have completed at least 9 QCC credits and have earned a minimum grade point average (GPA) of 3.40. Speak to a departmental faculty advisor for more information on how to qualify for an Honors course.
