

# What to do if your class is cancelled

**NOTE:** If your **registration** was cancelled because you missed the deadline to pay your bill, register again and make arrangements to pay your bill immediately. You will be able to register only in sections that have seats available at the time you are re-registering.

*If you have paid your bill but one of your classes has been cancelled, first try to register in another section of the same course as soon as possible. TO REGISTER FOR ANOTHER SECTION OF THIS COURSE:*

- Check the on-line schedule for open sections at <http://www.qcc.cuny.edu/CourseSchedule/CourseScheduleFormInit.asp> **OR** <http://student.cuny.edu/cgi-bin/SectionMeeting/SectMeetColleges.pl> Then choose an open section of the same course, or another course applicable to your program. Be sure to write down the four digit section code.
- Register on the web at either on-line website: [www.qcc.cuny.edu](http://www.qcc.cuny.edu) OR <https://esims.cuny.edu> .
- If all sections of this course are closed – you may inquire about a signed overtally form from the department office to be registered for a closed section.

*If you have paid your bill but one of your classes has been cancelled and no seats are available in other sections of the same course, carefully consider the following:*

- a. Do you need this class for full-time student status (12 equated credits or more per semester) in order to qualify for financial aid, health insurance eligibility or other programs that require you to be a full-time student? *If so, register for another course that meets requirements for your program of study.*
- b. Do you need this particular class for graduation (this semester)? *If so, consult with the Chairperson of the department offering the class.*
- c. Do you need this class to progress in your program? *If so, register for another course required for your program of study or consult with the Chairperson of the department offering the class.*
