**Guide to Enrolling on a Waitlist for a Full (Closed) Class**

Please Note the following:

- Wait list does NOT guarantee students will be enrolled (registered) in a class section.
- Students will be automatically enrolled depending on their position on the wait list & the availability of seats in the class. Students will need to check their schedule for updates.
- If you have exceeded maximum credits per term and/or you are choosing to wait list for a course you are already registered for, wait list process will NOT move you from wait list to enrolled list unless you use swap function (see below for instruction).

1. Login to CUNYFirst at https://home.cunyfirst.cuny.edu
2. Select Self Service followed by Student Center
3. In the Academics section, click the Enroll link

4. On the Add Classes page, select class by entering the Class Nbr→ Press Enter option or Find Classes→ Class Search→ Press Search option. Remember to uncheck the “Show Open Classes Only” box when using the Class Search option. **Please note: Not all classes offer wait list.**
