

## Barracks to Business: Translating Military Skills into Career Success

As a veteran, you have valuable skills and experience – but you may not know exactly how to translate them to the civilian workplace.

**We're here to help.**

Our Barracks to Business Workshop helps you effectively communicate the in-demand skills you've developed during your service -- which include leadership, discipline, flexibility, organization and change management -- to prospective employers. We'll work with you to craft a winning resume and interview like a pro. **Let's work together to make your transition from the military to the civilian workforce a rewarding one.**
