Welcome. My name is \_\_\_\_\_ I prefer to be called \_\_\_\_\_, and I'm majoring in Accounting. I'm part of the ASAP program which I feel is very beneficial. I go to Queensborough Community College full time and work part time at State Farm Insurance. I enjoy working there and I see myself selling insurance. I have many goals in which I want to achieve, but one step at a time.

My name is \_\_\_\_\_ I am attending Queens Borough Community College. I am currently in my second semester of an Accounting major, along with many others that are in the same career path, and attending the same classes in a blocked schedule. Being a full time student can play a major role in how my days are spent, the time I have to myself, and the time I have to work. I find it extremely help full to plan everything from school, homework, and having a job in a fixed agenda to relieve stress; and give myself the most time I need for each task I have to accomplish. I'm currently intending to finish my associates' degree in this college and then eventually move on to my bachelor's degree in Accounting at queens College.

Hi, my name is \_\_\_\_\_ and I am an Accounting major. I am currently a freshman at Queensborough Community College as a transfer student. I plan on transferring to either Baruch or Queens College because of the great accounting programs they offer. I also plan on receiving my Master of Science in accounting; and after I have two years work experience I plan on taking and passing the CPA exam. Currently I am working for a State Farm Insurance Agency in Queens, New York. When I am not in school or work I enjoy shooting pool, bowling, dinning out, catching a movie, shopping and spending time with family and friends.

My name is \_\_\_\_\_, and I'm currently a freshman at Queensborough Community College. My major is accounting. I'm planning to stay at QCC for the full two years, get my Associates Degree and then move on towards my Bachelors and Masters at Queens College or Baruch. The language I speak at home is Spanish. Both of my parents came from Puerto Rico. That makes me bilingual, which is good because whenever I go to a job that's what they look at. I'm also currently working part time. I would rather to stay like that so it doesn't interfere with my studies. During my spare time I like to read a lot of books, ever since I was little that was all I would do. I would read novels of about 500 pages in less than a week.

Welcome to my page! My name is \_\_\_\_\_, and I am currently attending Queensborough Community College for an Accounting Associate Degree. I love animals and someday be part of an animal activist group.
