

Dual/Joint Application

Queensborough Community College Nursing program has a Dual/Joint Program with Hunter Bellevue School of Nursing, leading to a Baccalaureate Degree in Nursing.

This is an unique, competitive opportunity for NU101 students to apply for a dual joint degree with Hunter Bellevue School of Nursing. The maximum, eligible credits transferred to Hunter for an Associate's Degree is 77.5 and 90 credits for attendance at a senior college or previous Bachelor's Degree. Applicants meeting the criteria below should submit application to nursing office up to one week after the National League of Nursing (NLN) standardized exam.

Criteria for selection of candidates for the dual enrollment are as follows:

- B or better in NU101
- Overall GPA ≥ 3.0
- Time commitment
 - Working less than twenty hours weekly is recommended during QCC enrollment
 - Required attendance at professional development workshops at Hunter approximately twice yearly.
 - Complete additional courses: Statistics, Chemistry before nursing semester 201.
 - Enroll in each semester consecutively at QCC and Hunter without leave of absence.
 - Signature indicating your agreement to fulfill the time commitment.
- Clinical Faculty Recommendation by completing the attached rubric.

Please sign on the line below. Your signature indicates your agreement to abide by the time commitment listed above if selected as a dual joint candidate.

Signature_____ Date_____

All applicants meeting the required criteria will be notified for the dual joint program acceptance and placed in a NU102 clinical group. All criteria are discretionary.

All students meeting the criteria should complete application with most recent Tiger Audit and submit to clinical instructor to complete attached rubric. Clinical Professor will place in Professor Cupelli's mailbox up to one week after NLN standardized exam for Dual Joint Committee to review. Write clearly.
