

ATTENTION ALL LEARNERS & FUTURE TEACHERS

**FUTURE TEACHERS SOCIETY
APPLICATION/INFORMATION SHEET**

Education touches the lives of every student at Queensborough Community College. The Future Teachers Society is a student club which endeavors to support the education program with career and academic enrichment opportunities for education students and enhance educational awareness throughout the greater student body of Queensborough as well as the community at large. This student led club organizes activities for the promotion of its members' social, academic, and career success.

Members will determine strategies to achieve the following goals:

- Enhance resume with opportunities to work with children
- Explore issues affecting the teaching and learning process
- Investigate different careers within the field of education
- Sharpen requisite skills for academic success
- Engage fellow students in dialogue about educational issues
- Provide service to the community
- Engage education students in social events and encourage networking
- Support each other's academic success

Please fill out the following application form to join the Future Teachers Society. We look forward to getting to know you!
