...I achieved something that I never thought possible. My family's future has never looked so bright. I have graduated and started working in my chosen career.

—Charles E. Maitle, Industrial Maintenance Graduate,
Pellissippi State Technical Community College & U.S. Army Veteran

Eligible students must be entering their final year of Skilled Trades or Public Safety studies at a participating college. Skilled trades studies include electronic systems, heating/air conditioning, plumbing, welding, automotive, construction, facilities maintenance or other industrial trades. Public Safety studies include first responder, law enforcement (city, county, state), prison guard, firefighter, fire safety, emergency medical technician, emergency management and disaster preparedness programs. One-half of the scholarships are earmarked for students who have honorably separated from the U.S. Armed Forces (Air Force, Army, Coast Guard, Marines or Navy). Candidates must be enrolled in at least 12 credit hours, maintain a GPA of 3.0 or higher on a 4.0 scale, submit an essay, three letters of recommendation along with other materials to the college contact provided.
