LEARN MORE ABOUT OUR CURRENT VACANCIES:

PER DIEM BEHAVIORAL HEALTH SPECIALISTS –
WORK WITH CHILDREN FROM 0-21 YEARS OLD FOR THE FOLLOWING SERVICES

- **Psychosocial Rehabilitation Services (PSR):** Provides support to enhance a youth’s personal and community competence. Supports development of social and interpersonal skills, daily living skills, and community integration.

- **Community Psychiatric Supports and Treatment (CPST):** Provides crisis avoidance and intensive interventions counseling, psychoeducation, strengths-based service planning, and crisis and rehabilitative supports.

- **Pre-Vocational Services (for youth 14 and older):** Designed to prepare a youth to engage in paid work, volunteer work, or career exploration by teaching skills such as resume writing, mock interviewing, appropriate work habits, etc.

- **Supported Employment (for youth 14 and older):** On site employment support for youth with disabilities such as job coaching, person centered employment planning, etc.

- **Caregiver Family Supports and Services:** Designed to enhance the youth’s ability to function as part of the family unit while enhancing the family/caregiver’s ability to care for the youth in the home and/or community.

- **Community Self Advocacy Training and Supports:** Education and training on the youth’s needs, behaviors, and methods related to their disabilities, to enable success in the community.

- **Community Habilitation:** Development of Activities of Daily Living (ADL) skills, Instrumental Activities of Daily Living (IADLs), and/or health related tasks

- **Planned Respite:** Planned short term relief for family/caregiver’s that are needed to enhance the family/caregiver’s ability to support the youth’s functional, mental health, substance use disorder, and/or health care issues

**Job Requirements:**
- High School Diploma required for Respite, Caregiver/Family Support, and Community Habilitation Services
- Associates required for Prevocational, Supported Employment Services
- Bachelor’s Degree with 2 years’ experience required or Master’s Degree with 1 year of experience for Community Self-Advocacy Training and Support
