

Capture Global Integrated Solutions, Inc. is a solutions provider for Automatic ID Processing, Mobility, RFID and Point-of-Sale (POS) products company since 2003.

The company is selling offline for the last 16 years and now we have created an e-shop – www.capturegis.com .

We are seeking for **Marketing/Social Media, Administrative Assistants, Cyber Security Specialists** interns to communicate with our vendors, populate and manage site, preform organic SEO and Ad Words services, as well as create a digital strategy that will boost the online sales of our **e-commerce website**.

To apply: Please send resume to hpateroulakis@capturegis.com
