

FITTED Underground is a custom menswear company in New York City that designs, produces and sells our own collections. Our vision is to be a one stop custom shop for your entire wardrobe. Our denim brand, DAEM BKLYN, makes the best fitting jeans in New York City.

As a social media intern, your core responsibility will be to help develop digital content to increase interest and engagement on our social media platforms and our website. Responsibilities would include:

- Photographing denim jeans flat and on a model
- Photographing the manufacturing process, including pattern making, cutting and sewing
- Photographing the industrial sewing machines used during construction
- Optional: Lead or assist in videoing all of the above
- Optional: Assist in developing other video footage
- Optional: Manage social media platforms, including IG, FB, TW and YT

The time commitment for the photoshoots is 2-3 full day shoots. The intern will be paid \$500. If the intern is interested in taking on optional responsibilities, additional work time and remuneration will be discussed.

Qualifications include:

- Experience with photography
- Photography portfolio, which may include Instagram, Pinterest, or other social media
- Excellent communication skills
- Ability to collaborate
- Eagerness to learn
