Report to the Academic Senate

March 27, 2019

From: Dr. Helmut Loeffler, Chairperson of the Committee on Committees

To: Dr. Jannette Urciuoli, Secretary of the Academic Senate Steering

Committee Monthly Report of the Committee on Committees for March 2019

I. Academic Senate Roster

There were no changes to the membership of the Academic Senate in March 2019.

II. Standing Committees of the Academic Senate

As a replacement for Alison Crutchfield the CoC elected Dr. Dugwon Seo to serve on the Committee on Environmental, Quality of Life and Disability Issues. Her term will expire in 2021.

III. Senate Elections

As detailed in the February 2019 report, nominating petitions were distributed to faculty and staff for the election of new Faculty and CLT Members-at-Large. The Senate consists of 41 Faculty Members-at-Large and 2 CLT Members-at-Large. 20 Faculty were nominated for 14 positions and 1 CLT was nominated for one position, all of which will run through April 2022. The election was conducted online for two weeks in March. The online system was managed by Jeffrey Schwartz (Senate Technology Officer) with assistance from Raj Vaswani (Information Technology).

The results of the Senate elections (Faculty at Large and CLT's) are tabulated below.

IV Nominations to Standing Committees of the Academic Senate

Faculty and HEOs were invited to select the committees on which they would prefer to serve via an online system. The database was managed by Raj Vaswani and the list of eligible instructional staff was assembled by Debra DiBattista (Human Resources and Labor Relations). At least two reminder emails were sent out during the selection period. 79 members of the instructional staff indicated their committee preferences. There are a total of 129 committee seats, but only 47 open positions.

Following the online selection period, the preferences for each committee were examined by the CoC Chair and a master table was prepared. Candidates were eliminated from committee ballots if their Department was already represented on that committee. The CoC

met once in person, on February 27th; other sections were made via emails. The CoC then made its first round of committee assignments. For each committee, the candidates' qualifications were considered, as well as the need for College service with respect to tenure and promotion. Adjustments to the ballot were made via email. An effort was made to balance the distribution of candidates across departments. This became difficult with large departments outweighing small to mid-size departments. A ballot was eventually approved.

In accordance with Article VII, section 4a of the Bylaws, the ballot must be circulated to the instructional staff at least two weeks before the election. The ballot was circulated via email to faculty, HEOs and CLTs on March 27, in advance of the April 10 Senate Meeting.

Following the election, the CoC will maintain a list of instructional staff not placed on a committee. This list will be consulted to fill vacancies as they arise during the year. The CoC will also make suggestions to the Steering Committee regarding suitable Steering Committee Designees. The ballot and petition form are found at the end of this report.

V Committee on Committees Election at the May Academic Senate Meeting

The terms of three members of the CoC will expire in May: Shannon Kincaid, Helmut Loeffler and Liisa Yonker. At the May meeting of the Academic Senate, nominations for new members will be presented, followed by a vote.

BALLOT FOR THE STANDING COMMITTEES OF THE ACADEMIC SENATE

Each year, one-third of the seats on each committee are up for election. **You are only voting for the new members of the committees.** These candidates are shown in bold type at the top of the ballot for each committee.

You may vote for the entire slate for all committees, or you may vote on each committee individually, either by selecting its entire slate, or by selecting specific candidates. Those elected will have a three-year term that ends in 2021.

In a few instances, someone has stepped down early, leaving a seat with a shorter term. The CoC randomly determined which candidates would receive the shorter terms.

o	Place an "X" in this box to vote for the CoC slate for <u>all committees</u>.
	Or, you may vote on each committee individually by either selecting the entire slate, or selecting specific candidates.
