

Minutes missing from May 23<sup>rd</sup>, 2016

Hi Julian,

Here are the minutes and agendas from 2015-16 academic year. You'll see that there are no minutes from May 23rd. I did a little searching and I see an email from Peter (the Secretary) saying that he couldn't come, so someone else would have taken the minutes but I don't know who that was.

I have an email to Peter announcing the results of the vote (you as chair and Peter as secretary), so we know that happened. I think that's all we really did because the WID WAC list of courses didn't make it to the meeting to be voted on.

Best-
