- Bomb Threat and CUNY Alert vs. QCC Alert - There was discussion of the recent bomb threat at QCC and the warning that was sent out to the campus community in regard to such bomb threat and whether or not timely warning was provided to members of the campus community and whether the warning that was provided complied with the Cleary Act requirements. It was suggested that the QCC Director of Security, John Triolo, be invited to attend a future Committee meeting. The Committee received a response form VP Sherri Newcomb. The matter was further pursued in Fall of 2018 as it has been raised at the CUNY level.
• At QCC all CLT’s are members of the faculty. Governance Plan Article II. A. approved by CUNY BOT and at this time there are six fulltime CLTs and about ten adjunct CLTs here in the ACC the only area that does not have a departmental P&B. This was again brought to the attention of President Diane Bova Call with the request that the situation be resolved in some manner. RESULT: No action as yet
