

CUNYfirst ePermit Application Steps

Background Queensborough Community College students who wish to take a course at another CUNY school can fill out the ePermit application in CUNYFirst. The request will be reviewed by the QCC ePermit unit. Students will receive a decision regarding their request both through email and the ePermit page in CUNYFirst. If approved, the host college (where you want to take the course), will set up an enrollment appointment. The approval of an ePermit does not guarantee you a seat in a course/section.

After the host college has set up your ePermit, you will need to register for the course. Please allow time for the host college to process your ePermit request after QCC has approved your ePermit. Once the host college completes their process, you can view your enrollment date and time by logging in CUNYfirst and going to Student Center > Course Planning and Enrollment > Enrollment Dates. If your host school(s) and the term is listed, you can view when you can register for your ePermit course at the host college.

Procedure Please follow the steps in the table below to complete the task.

Step	Action
	Sign into CUNYfirst (https://home.cunyfirst.cuny.edu) with your CUNYfirst username and password.
1	<p>Select Student Center → Course Planning and Enrollment → ePermit → Add ePermit with Equiv Courses</p> <p>*If you already submitted a request for an ePermit and want to either check on the status or cancel it, select "My ePermits" (Please refer to page 4 on this document for more details).</p> <p>*You will only select "Add ePermit" if the course of interest does not have an equivalent course at QCC. Please be sure to have approval before pursuing this method.</p> 

2	<p>You will be brought to the QCC course catalog where you must select the home college first, then search by the subject and course you are looking to complete at another CUNY school.</p> 
3	<p>When searching for a course, type only the letters of the course you want (Step 1). Afterwards, select the course (Step 2). For example, if you are looking to take a course that would come into QCC as LS111, you would search LS and click LS111.</p> 

4

After selecting a course, you will be brought to the Course Detail screen which includes information such as credits, department, and the course description. To see the equivalent courses at other CUNY schools, you'll need to click **“fetch equivalent CUNY courses”**.

A screenshot of a web application showing the 'Course Detail' for 'LS 111 Elementary Spanish I'. The page has a header with the course name and a 'View Classes' button. Below the header, there's a 'Course Detail' section with a table of course information: Course Career (Undergraduate), Units (4.00), Grading (Graded), Course Component (Lecture), Campus (Queensborough CC), Academic Group (QBCC Undergraduate), and Academic Organization (Foreign Lang & Literatures). Below this is an 'Enrollment Information' section showing 'Typically Offered' as 'Fall, Spring'. At the bottom is a 'Description' section with a paragraph about the course. A red circle highlights the 'fetch equivalent CUNY courses' button in the top right corner.

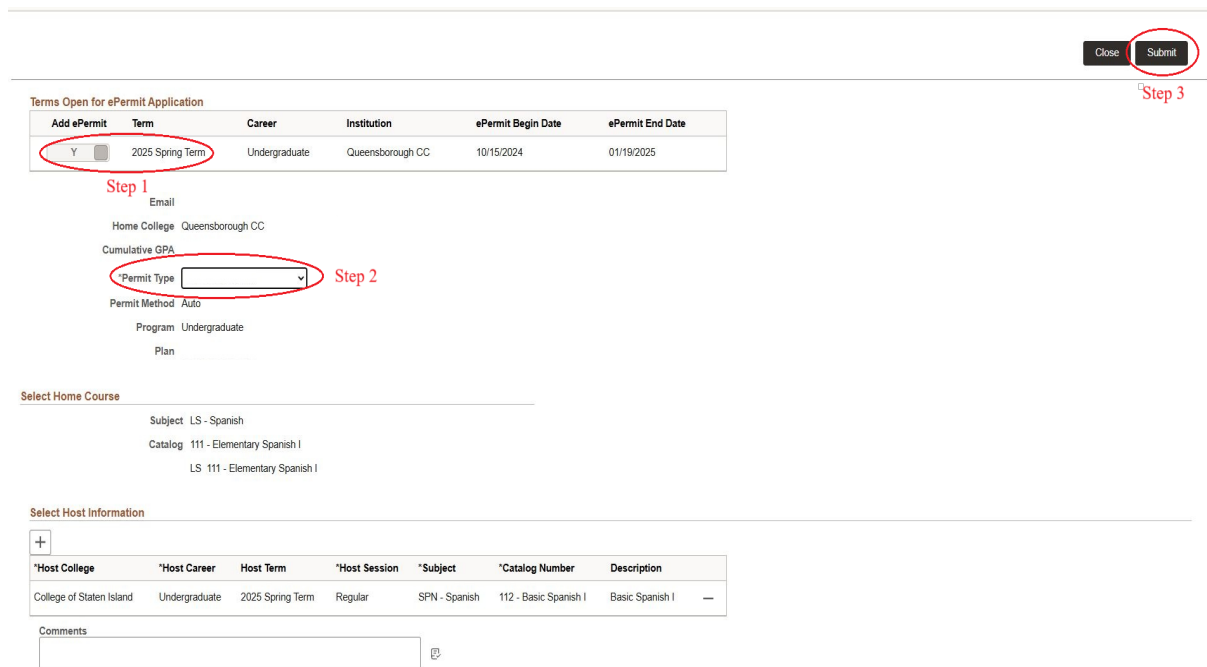

5

The next screen will show you a list of all CUNY schools which have an equivalent course. To file the ePermit, select the term, session, switch “No” to “Yes” the desired host college (**Step 1**), and then click “Apply for ePermit” (**Step 2**). *If the course is not being offered, the box will be greyed out and unable to be checked (see the red X’s).* **Do not select more than one college per ePermit request.**

A screenshot of a web application showing the 'Equivalent Courses found at other Institutions' screen. The page has a header with 'Queensborough CC' and 'LS 111 Elementary Spanish I'. Below the header, there's a 'Undergraduate' section. The main content is a table of equivalent courses. The table has columns: Host Institution, Course, View Class sections, Host Term, Host Session, and Request ePermit. The first row is for 'College of Staten Island' with 'SPN 112 - Basic Spanish I'. The 'Host Term' dropdown is set to '2025 Spring Term', and the 'Request ePermit' checkbox is checked. The second row is for 'College of Staten Island' with 'SPN 113 - Basic Spanish I (Not open to native/heritage speakers)'. The 'Host Term' dropdown is greyed out and has a red 'X' next to it. The third row is for 'John Jay College' with 'SPA 101 - Introductory Spanish I'. The 'Host Term' dropdown is greyed out and has a red 'X' next to it. The fourth row is for 'John Jay College' with 'SPA 115 - Practical Spanish I'. The 'Host Term' dropdown is greyed out and has a red 'X' next to it. The fifth row is for 'Kingsborough CC' with 'SPA 100 - Elementary Spanish I'. The 'Host Term' dropdown is set to '2025 Spring Term', and the 'Request ePermit' checkbox is unchecked. The sixth row is for 'LaGuardia CC' with 'ELS 101 - Elementary Spanish I'. The 'Host Term' dropdown is set to '2025 Spring Term', and the 'Request ePermit' checkbox is unchecked. The seventh row is for 'Medgar Evers College' with 'SPAN 101 - Beginning Spanish I'. The 'Host Term' dropdown is set to '2025 Spring Term', and the 'Request ePermit' checkbox is unchecked. A red circle highlights the 'Host Term' dropdown in the first row, labeled 'Step 1'. Another red circle highlights the 'Apply for ePermit' button in the top right corner, labeled 'Step 2'.

6

On the ePermit request form, confirm the term (**Step 1**). You will input how the course will fulfill a degree requirement by selecting one of the options under “**Permit Type**” (General Elective, Major Elective, Pathways, etc.) (**Step 2**). Additional comments for the reviewer can also be added in the comments box. Once the form is filled out, you must click “Submit” (**Step 3**) and then “OK”.
