We're looking for New Yorkers to answer the call and join our lifeguarding team for summer 2024. We would be grateful if you could share the attached flyer, as well as the below information with your network.

Lifeguard Qualifying Test Dates are Here!

Lifeguard recruitment season is now underway! Do you have what it takes? With the U.S. currently facing a nationwide shortage of lifeguards, it's never been more important for courageous New Yorkers to step up and accept the challenge.

Lifeguard qualifying tests begin on Friday, December 1. Tests will be held at more than 15 pools around the city, including recreation centers and local schools. Passing the qualifying test is the first step to become a City lifeguard.

Slots are filled on a first-come, first-served basis, so sign up as soon as possible for an upcoming date. Testing dates are currently available for the months of December and January. You can only register for one date at a time, but if you do not pass right away, you will be able to take the test again.
